REGNAD KCIN

On September 30, Shout! Factory will release "The Firesign Theatre's Box of Danger: The Complete Nick Danger Casebook", which turns the spotlight on the legendary comedy troupe's most famous creation - Nick Danger, Third Eye. The 4-CD box set will assemble for the first time the many radio adventures of Danger, Rocky Rococo, Lieutenant Bradshaw and announcer Dwight Yeast, including such legendary skits as "Cut 'Em Off at the Past", "The Case of the Missing Shoe", "The Three Faces of Al," plus a wealth of rare and unreleased items from Nick's tattered casebook.

Also included in the 4-CD set is a deluxe 40-page book with rare photos and fresh essays from all of the Firesigners, in character of course, which shed some hilarious new light on the legacy of Nick Danger, Third Eye.

"If you can go up against a teenaged kid, you can go up against a world leader." ~Housewife Tamar Fenton on Sarah Palin

MYTH AMERICA

I recently appeared on Thom Hartmann's AirAmerica show as Peter Savatte, Head Factchecker for the fictitious website *TruthBeTold.Nut*, responding to dubious Internet postings and e-mail blasts making claims about McClone's running mate, Gov. Palin, on his "Everything You Know Is Wrong" segment. Here are some of the myths I debunked:

Sarah Palin is NOT a member of an Alaskan wild-animal worshipping cult called the *MOOSE-LIMS*. In fact, she prefers to hunt wild animals rather than worship them.

She did NOT come up with the motto of the Alaskan Independence Party, *If at first you don't secede, try, try again*. And though Sarah is adept at gutting game, should she assume the presidency, she will NOT rename the Oval office as the "Offal Office."

Sarah has never been involved in any pork barrel projects, only "oil barrel" projects.

Sarah absolutely does NOT believe in "earmarks", or piercings or tattoos of any sort. Although Sarah is a cartridge-carrying member of the NRA, the only thing she has fired while in office, is people who don't agree with her and although she did raise the idea of banning some books from the Wassalia public library such as the celebrated *Harry Potter* series, she dropped the idea after her children told her they would put a curse on her.

Sarah Palin does NOT hold grudges, as has been wildly reporting by progressive slime-bloggers. She believes in "catch-and-release" and releases any grudges that are under two inches, back into the Ocean, with a severe reprimand and though she claims she sold the governor's private plane publicly on ebay for a profit, it was actually sold

privately to a guy named Eddie Bay, at a loss.

It is true that she was voted "Miss Congeniality" in the Miss Alaska competition, but she was also voted "Miss Con-GEAL-iality" because her polar-bear bikini caused her to sweat excessively and drop ice cubes on the runway. It is NOT true that the Palin family got their name because with each successive generation of inbreeding they actually got whiter and whiter.

It is NOT true that Sarah got the nickname *Barracuda* because she has teeth "down there." And finally – She was NOT known as the "Wicked Witch of Wasillia" when she was Mayor. She was known as the "Good Witch."

OH, MAN – OH, WOMAN

On a chain of beautiful deserted islands in the middle of South Pacific, the following people are stranded: Two Italian men and one Italian woman. Two French men and one French woman. Two German men and one German woman. Two Greek men and one Greek woman. Two British men and one British woman. Two Bulgarian men and one Bulgarian woman. Two Japanese men and one Japanese woman. Two Chinese men and one Chinese woman. Two Irish men and one Irish woman. Two American men and one American woman.

One month later, on these absolutely stunning deserted islands in the middle of nowhere, the following things have occurred: One Italian man killed the other Italian man for the Italian woman. The two French men and the French woman are living happily together in a *ménage à trois*. The two German men have a strict weekly schedule of alternating visits with the German woman.

The two Greek men are sleeping together and the Greek woman is cooking and cleaning for them. The two British men are waiting for someone to introduce them to the British woman. The two Bulgarian men took one look at the Bulgarian woman and started swimming to another island. The two Japanese have faxed Tokyo and are awaiting instructions. The two Chinese men have set up a pharmacy, liquor store, restaurant, and laundry, and have gotten the woman pregnant in order to supply more employees for their stores.

The two Irish men divided the island into north and south and set up a distillery. They do not remember if sex is in the picture because it gets somewhat foggy after a few pints of coconut whisky. However, they're satisfied because the British aren't having any fun.

And the two American men are contemplating suicide, because the American woman will not shut up and complains relentlessly about her body, the true nature of feminism, what the sun is doing to her skin, how she can do anything they can do, the necessity of fulfillment, the equal division of household chores, how sand and palm trees

make her look fat, how her last boyfriend respected her opinion and treated her nicer than they do, and how her relationship with her mother is the root cause of all her problems, and why didn't they bring a damn cell phone so they could call 911 and get them all rescued off this forsaken deserted island in the middle of freaking nowhere so she can get her nails done and go shopping.

DOGGY HAIKU

I love my master; thus I perfume myself with this long-rotten squirrel.

Today I sniffed_ many dog behinds-I celebrate _by kissing your face.

My human is home!_ I am so ecstatic I have_ made a puddle.

The cat is not all _bad-she fills the litter box_ with Tootsie Rolls.

My owners' mood is_ Romantic. I lie near their _Feet. I fart a big one.

SAY WHAT?

A Mafia Godfather finds out that his accountant has cheated him out of ten million bucks. His accountant is deaf. That was the reason he got the job in the first place since he wouldn't hear anything that he might have to testify about in court.

When the Godfather goes to confront him about his missing \$10 million, he brings along his attorney, who knows sign language. "Ask him where the ten million bucks he embezzled from me is," and the attorney does so and the accountant signs back: "I don't know what you're talking about."

The attorney tells the Godfather: "He says he doesn't know what you're talking about." The Godfather pulls out a pistol, puts it to the bookkeeper's temple and says: "Ask him again!"

The attorney signs, "He'll kill you if you don't tell him!"

"OK! You win!" The bookkeeper signs back, "The money is in a brown briefcase, buried behind the shed in my cousin Enzo's backyard in Queens!"

The Godfather asks the attorney: "Well, what'd he say?" The attorney replies: "He says you don't have the balls to pull the trigger."

THERE'S THE RUB

The AP reports that 22-year-old Antonio Vasquez broke into the home of two Fresno farm workers, robbed them and then rubbed one with spices and whacked the other with an 8-inch sausage before hiding in a nearby field dressed in a T-shirt, shorts and socks.

And Nicole Muench, a pro-life mom of a special child reported that she found it bizarre that the Republicans used the *Heart* song, "Barracuda" to end their convention. "The song is about someone who cheated the band Heart in a business dealing," explains Nicole. *If the real thing don't do the trick, You better make up something quick, says the song.*

"Were they telling us they're going to cheat this country?" she asks.

The band has since sued to stop the RNC from using their song.

MEN/WO/MEN

Three men were hiking through a forest when they came upon a raging river. Needing to get to the other side, the first man prayed: 'God, please give me the strength to cross.' Poof! ... God gave him big arms and strong legs and he was able to swim across in about 2 hours, although almost drowning twice.

After witnessing that, the second man prayed: 'God, please give me strength and the tools to cross the river,' and poof again! ... God gave him a rowboat and strong arms and legs and he was able to row across in about an hour after almost capsizing once.

Seeing what happened to the first two men, the third man prayed: 'God, please give me the strength, the tools and the intelligence to cross this river.' Poof! ... He was turned into a woman. She checked the map, hiked one hundred yards up stream and walked across a bridge.
